## Activity 2

### Benefits and drawbacks of e-payment methods

---

### **Ecological Thinking!**

*Think before printing any dissemination material if it is necessary. In case something needs to be printed, it is worth thinking about where to print it (e.g., local print shop, ecofriendly online print shop, etc.), on what kind of paper (e.g., recycled paper, grass paper, other alternatives to usual white paper) and with what kind of colors.*
